Who We Are

Since 2014, Drawing Booth has been the premier live sketching service for luxury events, brand activations, and weddings.

Our specially trained artists mingle with your guests, creating flattering digital portraits in minutes using tablets. Each piece is instantly shareable and can be printed on-site with our pocket-sized printers, providing a unique keepsake branded with your event details.

With teams in major cities across the US and UK, we bring a sophisticated, interactive experience that elevates any event.

Live-drawing mingling portrait artists help you create memorable moments that give people the chance to see themselves in a new way.

Driving Engagement & Leads

DRAWING BOOTH

Drawing Booth **attracts attendees to your tradeshow booth** enticed by the interactive visual activity.

We **capture leads** from interested attendees allowing you to track your reach.

Artists engage guests, **increasing guest interaction** and holding their attention.

DRAWING BOOTH

Drawings can be of a **loved one or pet**.

Drawings are **flattering portraits**, not caricatures.

Guests cherish these personalized drawings **for years to come**.

Private Dinners and Intimate Gatherings

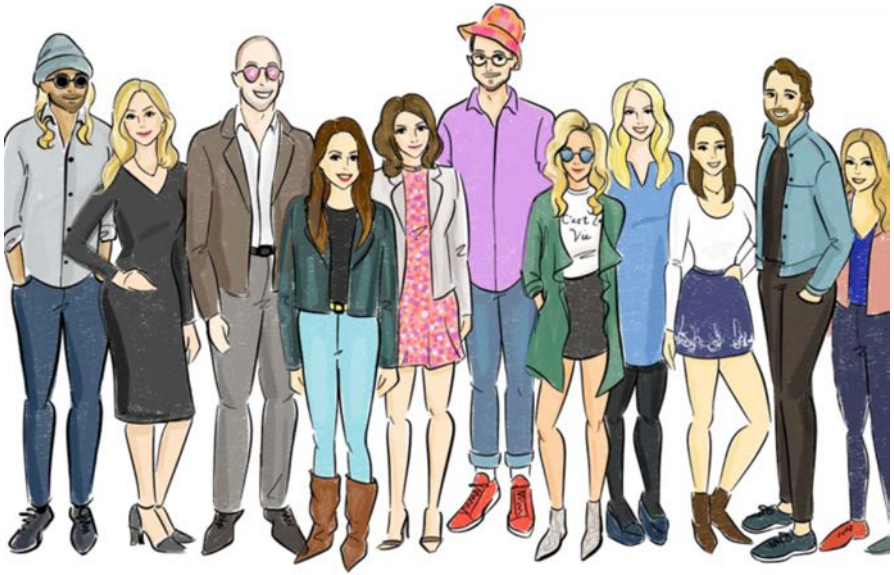

Live Collage: The Event, Drawn Together

DRAWING BOOTH

As our artists draw, every portrait is added to a collage that grows over the course of your event.

- Each portrait is captured the moment it's finished and placed into one shared composition
- The collage **fills in as the event goes on**, so guests can watch the event take shape
- Show it **live on a screen or projection**, or keep it for the reveal at the end
- At the close, the full collage is yours as a **print-ready file**, a keepsake of everyone who was there
- **Branded** with your logo, event name or theme

"One drawing is a keepsake for a guest. All of them together are a keepsake for the whole event."
